

NEW

## GT-R Aluminium Foil

€ 1.199,00

Mastbase:	85 cm. Aluminium
Fuselage:	95 cm. Aluminium
Frontwing	800 carbon
Back wing	330 carbon
Bolts included	

The foil that fills the gap between the GT and the Race, for those who want less power than the Race but more earlier take off than the GT

This foil is the same as the Race Aluminium with a 95cm fuselage instead of 115cm, an 85cm mast instead of 95cm

NEW

## GT-R Carbon Foil

€ 2.099,00

Mastbase:	85 cm. Aluminium
Fuselage:	95 cm. Aluminium
Frontwing	800 carbon
Back wing	330 carbon
Padded bag and bolts included	

NEW

## Race Alu. Foil

€ 1.299,00

Mastbase:	95 cm. Alu.
Fuselage:	115 cm. Aluminium
Frontwing	800 carbon
Back wing	225 carbon
Bolts included	

**Now available in Aluminium.** Maximum power, maximum upwind performance and the earliest take-off. The long fuselage also makes the foil super-stable for progressing foilers.

NEW

## Race Carbon Foil PRO

€ 2.399,00

Mastbase:	110 cm. Carbon
Fuselage:	115 cm. Aluminium
Frontwing	1000 carbon
Back wing	225 carbon
Padded bag and bolts included	

The longer mast gives you more height to deal with heavy seas, drive downwind with more confidence and foil jibe without touch-downs. The new 1000cm<sup>2</sup> front wing boosts lightwind performance, improves upwind VMG and allows you to drive downwind deeper than ever.

**verkoop**  
**€ 1.199,00**

### **Freeride Aluminium Foil**

Mastbase:	75 cm. Aluminium
Fuselage:	75 cm. Aluminium
Frontwing	1100 carbon
Back wing	500 carbon
Bolts included	

Our smoothest and most accessible foil. Planes at 7-8 knots in combo with the Foil 122  
The 75cm mast makes it stable, easy to control and suitable for narrower boards

### **GT Aluminium Foil**

**€ 1.199,00**

Mastbase:	75 cm. Aluminium
Fuselage:	75 cm. Aluminium
Frontwing	800 carbon
Back wing	330 carbon
Bolts included	

The sports foil, blending stability, control and speed. The GT Aluminium uses a 75cm mast, 10cm shorter than the GT Carbon, making it more controllable and suitable for narrower boards.

### **GT Carbon Foil**

**€ 1.999,00**

Mastbase:	85 cm. Carbon
Fuselage:	75 cm. Aluminium
Frontwing	800 carbon
Back wing	330 carbon
Padded bag and bolts included	

The sports foil, blending stability, control and speed. This set uses a shorter mast for a lower, easier flight and larger wings for more stability and easier take-off in lighter winds.

### **Race Carbon Foil**

**€ 2.199,00**

Mastbase:	95 cm. Carbon
Fuselage:	115 cm. Aluminium
Frontwing	800 carbon
Back wing	225 carbon
Padded bag and bolts included	

Maximum power, maximum upwind performance and the earliest take-off.  
The long fuselage also makes the foil super-stable for progressing foilers.

### **Slalom Carbon Foil**

**€ 2.099,00**

Mastbase:	95 cm. Carbon
Fuselage:	75 cm. Aluminium
Frontwing	550 carbon
Back wing	330 carbon
Padded bag and bolts included	

The fast foil for slalom and freerace foiling.
